

Press release

Hydrosmart run : A race against time for the planet

Aquatech is pleased to announce the launch of HydroSmart, a smart and reusable water bottle. An eco-friendly race at Gardens by the Bay Park is organized as a kick-off event. You are of course invited to the latter. This event promises an exceptional fusion of sport, technology, and commitment to sustainability, aligned with our mission to reduce plastic waste.

Date & Time: November, 15 2024 at 8:00 AM

Place : Garden by the bays park (Singapore)

On the agenda :

1. Group warm-up with a professional coach
2. Run
3. Snack
4. HydroSmart Feature Démo
5. Children's games and activities on the theme of water conservation

The event aims to promote HydroSmart while raising awareness of the importance of reducing plastic waste by accompanying Singapore's Zero Waste Masterplan. It will also offer a unique experience combining sport, technological innovation, and ecological awareness.

BECAUSE OUR PLANET IS NOT ETERNAL, ADOPT GOOD REFLEXES
